ABOUT NETWORK CONNECTIONS

Network Connections is a certified veteran-owned small business that provides network break-fix and managed services nationally. Our industry-trained technician corps and network support team are ready to handle your service calls and implement your service-level agreements. Additionally, NCI stands prepared to assist you with your next technology projects. NCI's Project Initiatives and Logistics Teams are poised to plan, manage, and support your network refresh, technology rollout, or construction projects.

CORE COMPETENCIES
